Forged to perfection and polished to a magnificent radiance. Engineered to provide maximum control and optimum performance. Finely crafted to take riding pleasure to a new level. The Suzuki KATANA is destined to create a new legend.

From the sharp lines and highlights defining the length of its body to the rider-friendly performance of its 110kW (150PS) engine, every detail of the Suzuki KATANA speaks of distinctive beauty.

While its design cues pay due homage to the iconic GSX1100S KATANA, which stole the hearts of riders around the world in 1981, the KATANA is a thoroughly modern machine that is breathtaking to behold and inspiring to ride.
